## NATIONAL SURGEON EDUCATION

---

2008	Primary Anterior Approach Hip Replacement, Smith & Nephew. Cadaver lab education.
2009 – current	Primary and Revision Anterior Approach Hip Replacement, Zimmer. Cadaver lab education.
2009 – current	Primary and Revision Anterior Approach Hip Replacement, Zimmer. Surgeon to surgeon visitations.

2010 – current	Primary and Revision Anterior Approach Hip Replacement, Salient/Medtronic. Cadaver lab education.
2011 – current	Advanced and Revision Anterior Approach Hip Replacement, DePuy. Cadaver lab education.
2014 – current	Primary and Revision Anterior Approach Hip Replacement, DePuy. Surgeon to surgeon visitations.

## LIVE SURGERIES

The Anterior Supine Approach to Total Hip Arthroplasty. ORlive.com. Live surgery presented by Zimmer Medical Education. July 14, 2010

Revision THA Utilizing the Anterior Approach. VuMedi webinar. April 16, 2012.

Revision Anterior Approach Total Hip Arthroplasty. International Congress for Joint Reconstruction, Houston, Texas. Live surgery presented by DePuy. September 14, 2012.

Primary Anterior Approach Total Hip Arthroplasty. International Congress for Joint Reconstruction, Vail, Colorado. Live surgery presented by Zimmer. January 17, 2015.

## INTERNATIONAL SURGEON EDUCATION

Anterior Approach Total Hip Arthroplasty, Australia. July 17-25, 2013.

Anterior Approach Total Hip Arthroplasty, Thailand, May 22-25, 2015.

Anterior Approach Total Hip Arthroplasty, India, May 25-27, 2015.

## CLINICAL INTERESTS

*Anterior approach total hip replacement:* Have performed over 4,000 primary total hip replacements. National and international expert and consultant for surgeon education for this procedure. Taught more than 60 cadaver courses on anterior approach to orthopaedic surgeons throughout the country and host surgeons for one-on-one teaching.

*Anterior approach total hip revision:* Have performed over 500 revision hip replacements. One of a very small group of surgeons nationwide who routinely performs revision hip arthroplasty through the anterior approach.

*Pelvis and acetabular trauma*: Completed one year fellowship with the leading authority in this field, Dr. Joel Matta.
